

**REMARKS/ARGUMENTS**

In the Office Action mailed on September 19, 2005, the Examiner objects to the specification, abstract, and drawings. The Examiner provides specific suggested changes to the specification, abstract, and drawings, and indicates that this application is in condition for allowance subject to the changes requested by the Examiner.

In response, the specification, abstract, and drawings have been amended as requested by the Examiner. Accordingly, Applicants believe that this application is in condition for allowance. The Examiner is thanked for the indication of allowable subject matter.

**CONCLUSION**

In view of the foregoing, Applicants believe all claims now pending in this Application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 415-576-0200.

Respectfully submitted,
